Attractions

Shanxi, named for the West of Taihang Mountain. It is one of the birthplaces of the Chinese nation. It has a long history and a rich cultural mix. There are countless famous mountains and rivers like a picture that is very beautiful.

【Yungang Grottoes】

The three main sites in China that are famous for their stone sculpture are Gansu Province Dunhuang , Luoyang Longmen and Datong Yungang . Yungang Grottoes are the first among equals, for their tremendous size, their ancient history and relatively complete state of presentation . The site was listed as a **World Cultural Heritage Site**.

【Pingyao Ancient City】

Where there is no Wall Street in 1824, this has already created the Wall Street. It still maintains its appearance 2700 years ago; as long as you come to Shanxi, you can have a glimpse of the birthplace of China's Wall Street hundreds of years ago.

【Hanging Monastery】

Is a temple built in to cliff , built more than 1,500 years ago , this temple is notable not only for its location on a sheer precipice but also because it is the only existing temple with the combination of three Chinese traditional . On 2010 , it was listed in the **Time** magazine as one of the world's top ten most odd dangerous buildings.

【Qiao's Grand Courtyard】

The Qiao Family Courtyard is neatly laid out, majestic, eaves, doors, windows, railings, steps. Exquisitely carved, extremely particular about details, known as the history of northern residential. The unique cultural connotation and the splendid architecture art together make Qiao Family Courtyard become a favorite of many directors.
